

# Volunteers Needed!

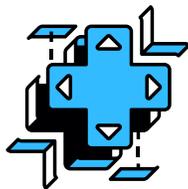

The Oregon Game Project Challenge (OGPC) is now recruiting volunteers for our May 12<sup>th</sup> event. You can help to prepare 6-12 graders for future STEM careers and make our 11<sup>th</sup> annual showcase and awards event a success!

## Event Details

When: Saturday, May 12<sup>th</sup>

Where: Western Oregon University, Monmouth, OR

*Background checks and volunteer training prior to the event required.*

OREGON GAME  
PROJECT CHALLENGE

## What you get

- Food. *Lunch is on us!*
- Official t-shirt
- The chance to see how cool our kids are!
- Good feeling!

In OGPC, students work in teams to brainstorm, design, plan, and create computer games following our theme. Along the way, they learn about working together and developing skills that will carry them into college and beyond. We need you to bring this event to life! Make a difference by signing up today for judging (programming, art and music, professionalism, game design), speaking, or general event help.
